

A MESSAGE FROM MANAGING DIRECTOR

Dear Valued Customer,

Since we first began responding and adapting to the COVID 19 threat at the end of March, we have focused on ensuring the safety of our teams, our customers and our communities to the best of our ability. Over the last three months, we have taken the time to better understand the precautionary measures that are necessary to ensure the well being of our customers and our teams.

We would like to share some of the steps we are taking to ensure the safety of everyone who visits our branches. In every branch, we are limiting occupancy to ensure safe social distancing, requiring everybody to wear face masks and conducting temperature checks at the door throughout the day. We are also carrying out enhanced deep cleansing, placing special emphasis on surfaces and display products, especially in areas where there is a lot of footfall.

On a different note and in line with our commitment to providing a convenient and better service to our valued customers, we are delighted to inform you that our Sunday branches will re-open effective Sunday, 5th July, 2020!
