TYRE GUARANTEES

GUARANTEES AND WARRANTIES ON AUTOXPRESS PRODUCTS

XTRASURE TYRE DAMAGE GUARANTEE (XSTDG)

- With every purchase of Passenger or SUV tyres at any AutoXpress fitment centre countrywide, one can purchase a one year XtraSure Tyre Damage Guarantee (XSTDG) at a nominal fee.
- This product protects you, the owner of the vehicle, from paying for any repairs or full replacement of tyres damaged by road hazards, including but not limited to:
 - Rocks
 - Broken glass
 - Nails
 - Kerbs
 - Potholes
- In case of replacement, you only pay for the tread you've used.
- XSTDG covers Passenger and SUV tyres that are **purchased** and **fitted** at any AutoXpress Fitment Centre in Kenya, provided that the vehicle that the tyres are fitted on, **is used for private or personal use with an exception of UBER drivers.**
- Vehicles used for commercial purposes like Taxis, Matatus, Vans and Pick-Ups are **excluded** from this cover (Exception of UBER).

Period of Cover

- XtraSure Tyre Damage Guarantee is Available at a nominal fee for the first year for all brands of tyres except Westlake and Hifly (Budget tyres).
- The guarantee can be extended for a second year at an extra fee as per the smart menu based on rim size of the tyres for ALL brands of tyres (Budget, mid-tier and premium).
- The additional cover can be purchased at the same time as the tyre purchase or at any time within the first year.
- The XSTDG is only valid for Passenger tyres with a minimum remaining tread depth (RTD) of 1.5 mm and SUV tyres with a minimum RTD of 2.5 mm.

Customer Registration for XSTDG

- At the time of purchase of tyres, the customer will be requested to provide the following information:
 - Full name
 - Mobile number
 - Email
 - Vehicle registration number
 - Make and model of the vehicle
 - Current mileage of the vehicle
 - Brand, Size and pattern of tyre purchased and fitted
 - DOT number of the tyre
 - AutoXpress invoice number

- In the event of an incident where one or more of the covered tyres are damaged, the customer should submit it or them for a claim at any AutoXpress fitment centre within 48 hours after the event that caused the damage occurred.
- The AutoXpress tyre professional will evaluate whether the damaged tyre can be repaired or needs replacement.
- If the tyre is repairable, it will be repaired free of charge up to three repairs per tyre, per cover.
- If the tyre requires replacement, then the AutoXpress Customer Service Agent will establish the amount that the customer will receive in form of a credit for the damaged tyre and therefore the amount needed to pay for the replacement tyre using the XSTDG calculator on the smart menu.

Within 30 days or 1,000kms

Within 30 days from inception of the cover or within the first 1,000 km of driving on the covered tyre(s) after fitment, as specified on the AutoXpress invoice, whichever comes first, the customer will receive a full credit towards the purchase of the same or similar new tyre (s) from AutoXpress.

After 30 days or 1,000 km

- For events occurring after 30 days from inception of the cover or after the first 1,000 km of driving on the covered tyre, whichever comes first, the AutoXpress Customer Service Staff will establish the amount that the customer will need to pay.
- This is done by calculating the amount that will be credited to the customer's account using the smart menu XSTDG Claim calculator, less the amount of the replacement tyre.

Claim Procedure

When a customer has damaged a tyre that is covered under the XSTDG, the customer can go to any AutoXpress Centre to make a claim. The AutoXpress Customer Service Agent then needs to verify the following customer information:

- Full name
- Vehicle registration number
- Make and model of car
- Current mileage of your vehicle
- DOT number of tyre
- Customers original invoice or XSTDG cover number from AutoXpress

User Obligations

The XSTDG is void if the tyres have not been adequately maintained. Proper care is necessary to obtain maximum wear from a tyre and to ensure your safety on the road. The checks are not onerous. Kindly ensure that:

- The tyres and wheels assembly are balanced
- The wheels are aligned
- The tyres are operated at correct inflation pressures

XSTDG Terms and Conditions

I. The cover is not transferable to any other vehicle or person.

2. The XSTDG entitles you to a maximum of 1 tyre replacement or 3 repairs per covered tyre provided that any repairs are carried out at an AutoXpress Centre only.
3. The XSTDG covers the cost of fitting, but does not cover the cost of wheel balancing or wheel alignment.
4. The sum covered is limited to KES 50,000 including VAT per covered tyre, irrespective of the purchase price of the covered tyre and shall not be paid in cash. It will constitute a credit towards the purchase of a new tyre from AutoXpress Limited.
5. The remaining tread depth will be measured at 3 points on the tyre and the credit will be based on the lowest measurement taken. This takes into account any irregular wear due to mechanical issues of the vehicle.
6. The XSTDG Guarantee applies to the price of tyres indicated on the initial purchase invoice, not on the prevailing price of the tyres.
7. While AutoXpress will make every possible effort to locate an exact replacement, if it is not possible for any reason, e.g., the tyre is obsolete, or the pattern has been superseded by a newer pattern or is simply out of stock, AutoXpress reserves the right to offer an alternative of equivalent value to the initial tyre purchased. In the event the customer would prefer an alternative brand, and it is available and more expensive than the one originally purchased, he or she would be required to pay the difference in price.
8. The damaged tyre will remain the property of AutoXpress.
9. At the discretion of AutoXpress, tyres which they deem to be damaged by criminal or malicious action, vandalism, improper use, fire, theft, used in a competitive sport, road accidents, repaired by another garage, mechanical defects of the vehicle and driving on incorrect pressure or are specific excluded from cover under this guarantee.
10. AutoXpress reserves the right to alter these terms and conditions at any time with immediate effect by placing the amended terms and conditions on its website (www.auto-xpress.com).
11. XSTDG is only available at AutoXpress Fitment Centres in Kenya.
12. The XSTDG is in lieu of all other warranties, expressed or implied, and does not cover consequential loss or damage.
13. The customer's statutory rights are not affected by the terms of this guarantee.

Kenya's first Tyre Damage Guarantee is powered by APA Insurance –
